

Eudora Cottage

803 FEDERAL ROAD

At Cape Fear Station on Bald Head Island,

a new *Southern Living* Inspired Community is emerging. Located just a stone's throw from The Common and the Atlantic Ocean, a select group of homes designed by renowned Southern architects is now available for sale, including the beautiful Eudora cottage at 803 Federal Road.

Hand-picked by the magazine's editors, *Southern Living* Inspired Communities embrace the natural beauty of the Southern landscape, display the best of *Southern Living* inspired architecture, and contain environments that foster communal gatherings. Cape Fear Station joins a handful of elite communities that hold this designation.

The neighborhood's lead builder is Whitney Blair Custom Homes, winner of the 2016 *Southern Living* Builder of the Year award. To learn more about this exciting new development at Cape Fear Station, contact Bald Head Island Limited Real Estate Sales today.
