## Description

---

This custom built Oceanfront Home designed by Synthesis Architects has it all with beautiful designed and furnished interior. There are two covered porches and plenty of decking to relax and enjoy views of the Ocean, West beach, large cargo ships passing to Wilmington Port and beautiful sunsets. There is plenty of space for the entire family and guests in this 4 bedrooms, 3.5 bath Home with a large bedroom and bath in the crofter over the large garage. All windows and doors are Anderson high wind units so there has been no interior damage in storms. There are two master suites on first and second level. Not a rental and well maintained. Gourmet kitchen with all upgrades. Two large living rooms with fireplaces on each level to accommodate large families and guests. House membership.
