## Description

---

Owner/Broker. This beautiful oceanfront rental machine features unobstructed views of the entire beach. Rebuilt after the hurricane, with new kitchen, flooring, elevator, roof, fireplace and most everything else. Now, it's an absolute showplace. Handicap accessible with an elevator and walk in shower. Gas stove and fireplace. Some of the best ocean views on the entire island — and they're protected. The lot across the street is donated to the Smith Island Land Trust so the view is protected forever. Memberships to the BHI Club and Shoals Club available for separate purchase.
